Jointly organized by:

Gurudas College Library & IQAC

Date: 11th July, 2020 (Saturday)

Time: 4:00 PM – 5:30 PM (IST)

Topic:

Institutional Waste Management: An Essential Parameter for NAAC Accreditation

(Includes: Traditional Waste Management, Solid Waste Management, Liquid Waste Management, Chemical Waste Management, E-Waste Management, Paper Waste Management, Recycling, Certification, Q&A)

Speaker:

Mr. Nandan Mall

CEO & Founder, Hulladek Recycling Pvt. Ltd., Kolkata, West Bengal, India

Mr. Nandan Mall is a third generation entrepreneur. At a very young age, he realised the need for a proper channel for waste management. Therefore, he started his dream project of establishing an e-waste management company to ensure proper collection and channelization of electronic waste to authorised recyclers. Mr. Mall was trained at Indumedal Recycling in Bilbao, Spain for about 2 years, where he was trained in e-waste management and recycling processes. He returned to India in 2014 and Hulladek Recycling was conceptualised based on the expertise and knowledge gleaned from his time abroad. We are cordially inviting all to attend this Webinar.
