## ESHANA REPORT

Eshana is an in-house journal for teachers with an ISSN 2349-0985. It is not a peer reviewed journal.

The present Eshana sub-committee was formed for 2018-20, with an extension for 2020-22. When the committee took over, there was a backlog, as the last journal was published in 2016. Thus the present committee had a lot of ground work to cover before the current issue could be published.

In 2018, the following issues were published

1. 2016-17 issue (published on 31.7.18) was to celebrate Women's Empowerment.
2. 2017-18 issue (published on 4.1.19) was a commemoration of the bicentennial birth anniversary of Karl Marx.
3. 2018-19 issue (published on 3.7.19) was a commemoration of the 150<sup>th</sup> birth anniversary of Mahatma Gandhi.
4. 2019-20 issue (published on 11.12.20) was a commemoration of the Women's Suffrage Movement. This was an online publication, due to the pandemic restrictions.
5. 2020-21 issue is still to be published. The broad topic for this issue is Pandemics through History : Social and Economic Implications.
