

Feedback from the Employer

In view of the pandemic situation and the destruction wrought by the cyclone Amphan the supreme policy making body of the college, the Governing Body took the following decisions:

- Tuition fee waiver (20 percent) for students taking admission to Semester 1(2020-21) in Self Financing programmes
- Admission fee waiver (60-62 per cent) for students of Semesters 3 and 5 studying conventional programmes
- Admission fee waiver (42-45 per cent) for students of Semesters 3 and 5 studying in Self Financing programmes.
- Special concessions for students whose parents lost their jobs owing to lockdown.
- Renovation and repairing of rooftop solar power plants damaged by the cyclone Amphan
- For effective online teaching college needs to create its own domain in Google through G-Suite platform.
- Group Health Scheme for College appointed non- teaching staff as a part of welfare programme
- Gas bank installation in the Chemistry laboratory
- Up gradation of G1 auditorium and Room 6 smart class room with lecture capturing facility
- Maintenance and beautification of college playground.
- Proposal from Department of Zoology for constructing a Butterfly Garden approved
- Steps need to be taken for chemical waste disposal and animal ethics

Throughout the year the Governing Body met online/offline to provide necessary feedback and inputs for the overall improvement of the college.
