Minutes of the IQAC meeting held on 03.10.2023

- The results of three PG Departments – Bengali, Zoology and Physics – were reviewed. In PG Bengali 31 candidates appeared for the Final Semester examination and all of them qualified. The highest CGPA was 6.6. Twenty-three candidates got CGPA above 6. In Zoology 19 candidates appeared. All of them qualified. The highest CGPA was 7.6. Seventeen candidates had CGPA over 6. The Physics Dept. reported that the three affiliated colleges pursuing PG Physics under the University of Calcutta have fared poorly. Our college is no exception. They also mentioned an equally poor picture for students pursuing PG Physics directly at C.U. Soon the colleges will meet at Lady Brabourne College to analyse the alarming academic situation in PG Physics. Our suggestion is that a University Physics teacher should be present at the meeting.

- It was decided that the 13th Gurudas Banerjee Memorial Lecture will be held on 06.10.2023. The Resource Person is Dr. Partha Chakrabarti, M.D., Ph.D., Senior Principal Scientist at CSIR-Indian Institute of Chemical Biology, Kolkata.

  Topic: Bias and Noise in Biomedicine: Lessons from Diabetes.
