(GOVT. SPONSORED)
NARIKELDANGA, KOLKATA-700 054

2.2.1. The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

This view document contains documentation of the following:

- 1) The college departments have taken the lead in organizing undergraduate student research initiatives, as stressed by the NEP 2020. These events have now become a longstanding practice in the college.
- 2) Students of the college are encouraged to present posters and papers, and participate in competitions outside the college, the results of which are shared here.
- 3) The college organized a special workshop for students to encourage them to enroll in SWAYAM courses for skill development and advanced learning.

Department of Computer Science

Students' Seminar on February 23, 2023 the Department of Computer Science hosted a one-day seminar for semester 5 in the ICT room. The seminar was focused on current topics in computer science. The programme started around 12 o'clock with the opening remarks and introduction of the programme by the Head of Department, Prof. Kajari Bhattacharyya. Prof. Sonali Gupta was also present during the whole seminar. The senior batch of semester 5 presents their presentations in front of their junior batch, semester 4 & semester 2. There were five groups of students in total. Each group has tried their best to discuss the unique domains of computer science

Group A talked about one of the most popular cloud-hosted databases, Firebase. They discussed real-time databases, the concept of hosting, the importance of Firebase, and why it is popular among developers and companies. They also showed how Firebase could be used in app development. **Group B** presented a PowerPoint presentation on crypto currency. They talked about different types of crypto available on the market, their market values, and India in this domain. They covered the whole concept of crypto currency mining. They also explained the block chain concept.

Group C talked about web scraping and its types. They showed how to extract data from a website.

Group D talked about the recommendation system, which is a popular approach used behind most websites and apps. The presentation talked about which type of recommendation approach is working behind popular apps like Netflix, Amazon, YouTube, etc. **Group E** presented the distributed database system. They discussed what DDS is, its significance, its function, and the various types of DDS. It also showed the recovery and storage systems in DDS. Finally, the programme wrapped up with the announcement of the names of the students who had given brilliant individual speeches.

Department of Commerce

Students' Seminar A Students' Seminar organized by Department of Commerce in collaboration with IQAC, Research Cell and Seminar Sub-Committee was held on 12th May, 2023 at Room No. 17, Commerce Building, Gurudas College. There were eight (8) speakers from B.Com Semester – VI (Honours) & Semester – IV (Honours & General) respectively. Certificates of Presentation were awarded to the speakers. In total sixty-eight students & nine faculty members attended the seminar.

The aim of the students' seminar was to provide our students with an opportunity to come up with new business ideas/proposals. The ability to present unique business ideas will enhance their career prospects in their chosen field. Apart from presenting their business ideas, other general topics were also discussed.

Name of the Speakers and their topic are as follows: -

1. Business Proposal (Catering Service - Savor the Flavour): Debjyoti Guchait & Riparna Saha
2. Business Proposal (Scrap Utilisation – Scrabble): Ritika Samanta, Chandreyie Adhikari & Nilanjana Raha
3. Time Management: Sreemoyee Banerjee & Shreya Rai
4. Impact of Covid-19 on Indian Economy: Ishita Dam

Department of Economics

Students Seminar:

The Department of Economics organized a students' seminar on 17th May 2023. The broad theme of the presentation was various aspects of development. The list of speakers is as follows. Pritha Saha, Monideepa Dey, Sumona Dutta, Ayan Pramanick, Subho Saha, Rajarshi Nandi, Bodhiswatta Chakraborty, Suraj Das, Saurav Mondal, Purnendu Bhowmick, Debyeet Dey & Shourya Ghosh. **Aim:** The primary aim was to help students develop the skills of presenting an idea in front of an audience.

Outcome: The exercise helped the students to build up confidence in terms of speaking in front of an audience. Additionally, students were motivated to do a little bit of research and learnt how to present any idea/topic coherently. Each student presented the topic with a lot of interest. The presentation also generated a lot of questions among the audience. The department also presented the Best Presenter award to Saurav Mondal for outstanding performances.

Report of Students' Seminar

Department of Philosophy

The Department of Philosophy conducted a One Day Students' Seminar on 11th April, '23, for the students of Semester-II (PHIA). The main theme of the seminar was "Charvaka Epistemology and Ethics". 23 students participated in the seminar among whom 9 students had presented paper. This seminar comprises of two sessions. In the first session, students presented their papers on several sub-themes and after that there was an interactive question answer session. All the papers presented in this seminar were quite enlightening. Students took active part in the question answer session also. All Faculty members also shared their valuable thoughts to improve students' write up. At the end of this seminar certificates of appreciation were distributed among the students. After attending this seminar students have come to know the unknown perspectives of Carvaka Philosophy.

Students' seminar 2022-23 A Report

The Department of Sociology organized students' seminar as a part of students' research initiative on 31.03.2023 for the existing students of second, fourth and sixth semesters.

The theme of the seminar was Culture: It's forms and perspectives.

The students presented researched papers on different topics

- a. Identifying folk art forms in handicrafts fair in Kolkata: A Sociological study
- b. Globalization of culture
- c. Elite and popular culture: A comparative perspective
- d. Cultural diversity in India
- e. Sociology of Indian classical dance forms
- f. Intricate weave of folk culture through Kantha work
- g. Tribe and culture

A total number of 19 students participated in the seminar. The students made power point presentation to exhibit their papers and share their knowledge and thoughts on topics relevant to culture and its various forms. The aim of the students' seminar was to engage students in healthy academic discussions and interactive sessions and to build their confidence in oral and ppt presentations. Some papers were based on primary sources of data while most were on secondary based studies.

Department of Zoology

Name of the Seminar- One day International seminar & poster presentation competition.

Date- 12/05/2023

Number of participants- 187

Name of Speakers-

1. Prof . Sushil K Mahata (Professor of Medicine, Metabolic and Ultrastructural Biology laboratory, University of California, San Diego).
Topic- Chromogranin A, regulation of Type II diabetes and the associated diseases.
2. Dr. Sujoy Ghosh (Professor, Department of Endocrinology and Metabolism IPGM&R Hospital, Kolkata).
Topic- Diabetes, A silent killer.

Aim and Objective-

Impact of Modern Civilization on Health and Disease, with special reference to diabetes. Lectures were organized regarding diabetes, a silent killer, to highlight its dangerous trends and its potential remedies.

Outcome-

Audiences were made aware on how to save oneself from this deadly disease by leading a healthy life style.

Department of
English REPORT
Student Seminar: Undergraduate Student Research Initiatives,
2022-23

The Department of English, Gurudas College, organized a Student Seminar in collaboration with IQAC, Research Cell and Seminar Subcommittee, on May 10 2023, 10.00 am – 1.00 pm. The seminar was held in the Rajendralal Sabhagriha (G1) in order for the students to make optimum use of the room's ICT set-up

Advanced learners from Semester VI presented their papers. The lectures were ten (10) minutes each followed by discussion that was open to the audience.

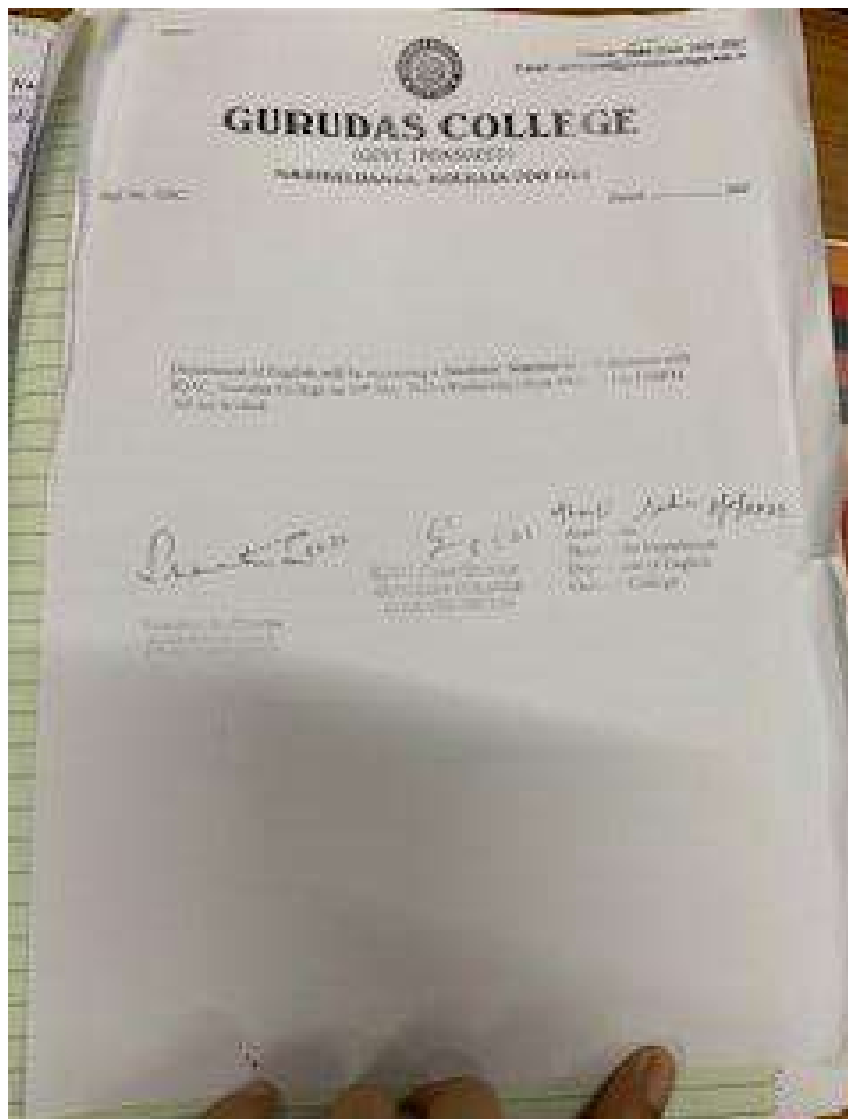

The following advanced learners presented papers on respective topics

1. Ayushmita Santra (Constricted Gender Roles in Ibsen's *A Doll's House*),
2. Utsaa Bhowmick (Open Air Educational System by Rabindranath Tagore),
3. Abir Chatterjee (Partition in Saadat Hassan Manto's Short Stories),
4. Pallab naskar (Binodini Dasi's Feminine Ideas in her Autobiography),
5. Srabani Paul (Nora as a Doll in Ibsen's *A Doll's House*),
6. Tiyaasha Barman (How Partition affected the next generation: Post-partition Trauma in *The Shadow Lines*),
7. Abhishikta Bagchi (Rabindranath Tagore's Art and Drawings),
8. Amashikha Dutta (Time and Magic Realism in *Chronicles of a Death Foretold*),
9. Samriddha Sarkar (Representation of the 19th Century in *A Doll's House*),
10. Rohini Mondal (Colonialism in *Things Fall Apart*)

The papers covered some important topics in the CBCS curriculum across three years and encouraged students to develop insights into contemporary research. Their papers are also in consideration for publication in a students' journal. They received certificates for their presentation.

Apart from students of the English Department, students from other Departments were also present in the seminar and took active part in the discussion session.

Department of English
REPORT

Three students from the English Department of Gurudas College participated in the week-long fest, Emblaze 2023, held at the Heritage College Campus from 2/5/23 to 6/5/23. The college representatives, Somudro Nandi and Snehashis Adhikari, attended the Inauguration ceremony on May 2nd 2023. Snehashis Adhikari represented the college in the inter-college Chess event on May 2nd, 2023. Abantika Sen represented the college in the inter-college Eastern Solo Dance Event, titled "Born to Dance" on May 5th, 2023. Somudro Nandi represented the college in the inter-college Extempore Event, titled "Word of Mouth" on May 6th, 2023. It was a wonderful experience and an excellent opportunity to witness talents of students from over twenty colleges across the city.

Student Achievements - Presentation of Posters, Papers, Participation in Quizzes, Events of Note (geo-tagged photographs, up to 5)

Wall Magazine:

The department of Botany published their Wall Magazine on 30th June, 2022. Students from Botany department participated for the wall magazine preparation. The theme of the Wall magazine was “Sacred Groves”. This initiative was undertaken by the students themselves, which served as a creative platform to showcase their talents, share knowledge, and foster a sense of community within the department. Principal Dr. Mausumi Chatterjee, Dr. Shantanu Basu and IQAC Coordinator Dr. Gautam Mukherjee inaugurated the Wall Magazine. Other departmental Faculties were also present during the occasion.

Another Wall Magazine was published on 26th May, 2023. “Autochthonous Flora” was the theme done by students of Botany dept. To provide the awareness of diverse plant types to whole college the wall magazine was prepared. The wall magazines were a light to knowledge. Their performance was very remarkable and worthy. Dr. Shantanu Basu, the Governing Body member of Gurudas College along with the faculties of Botany dept inaugurated the Wall Magazine.

Students Seminar:

The Department of Botany organized student’s seminar on 26th May 2023. The broad theme of the seminar was various issues pertinent to the Plants and its importance with respect to environment. Such seminars provide a platform to students for intellectual exchange and showcasing the research process and finally finding the Gap which need to be deciphered. They took versatile topics such as biochemical findings, experimental methodologies and critical analyses of relevant literature. Following students from SEM VI made the presentation in this seminar: Yasha Podder, Brishti Dey, Anushka Bhattacharjee, Jyotishree Karmakar, Sayantika Chakraborty, Madhushree Roy, Soumali Sanyal, Falguni Sarkar, Pallabi Sarkar, Madhuchhanda Mallik, Ayantika Chakraborty, Sudeshna Baidya, Tahamina Sarkar, Soumik Kundu, Susavan Mondal, Soumik Ghosh, Chinmoy Shyam, Sayan Banik, Rohit Roy. Dr. Mousumi Das, Dr. Goutam Kumar Pahari, Dr. Mitu De acted as judges to award three best presenters award. Soumik Kundu, Sayantika Chakraborty and Ayantika Chakraborty won the best presenter award and received a prize from the department. IQAC Coordinator Dr. Gautam Mukherjee and Governing Body Member Dr. Shantanu Basu was present on this occasion.

Faculties of the Department of Botany always encourages students to participate in different activities occurring outside college to boost up their self-confidence in the outside world.

- Four of our students named Priyanka Sen, Trishita Saha, Asmita Paul and Megha Das under the guidance of Dr. Mitu De participated in a poster presentation at the One-day International Conference on “Innovation, Expansion, Impacts and Challenges in Chemical and Biological Sciences (ICBS-2023)” dated 4th January, 2023 at Surendranath College.
- On 16th January, 2023, six of our 1st semester students went to Vedanta College for an invited Lecture series on “Current Trends in Medicinal Plant Research: Phyto-entrepreneurship. The faculty members who guided them during the day were Dr. Mitu de and Dr. Anwesha Biswas. There the students met our Botany departmental Alumni Dr. Shruti Chattaraj, who is now the faculty of Vedanta College from Botany dept. The students learned about different aspects and prospectives associated with medicinal plants and their entrepreneurship.
- On 28th February, 2023, seven students from Semester III and V of our college went to South Calcutta Girls’ College for participating in a poster, chart and seminar competition on occasion of National Science Day, 2023. They prepared posters on topics related to “Global Science for Global Warming”. Many of our students participated in Poster competition and participated in Chart preparation.
- On 11th April, 2023, five students from Semester II honors participated in a Workshop on “Herbarium Techniques and Plant Nomenclature: Research Methodology Skill Development” organized by Vedanta college. The students learned about different techniques of Herbarium preparation and the Taxonomical Nomenclatural details.
- On 2nd May, 2023, ten of our students from Semester IV and II honors went to a State level Seminar organized by Rammonhan College under the guidance of Dr. Goutam Kumar Pahari. Here, the students participated in poster presentation and further learned more about different aspects of research work occurring throughout the world in the field of Bioscience.
- On 12th May, 2023 a One-day International Seminar was organized by Zoology department of Gurudas College. Many of our students under the guidance of Departmental Faculty members participated in the poster presentation. Students belonging from Semester III and V mainly participated. The guiding professors were Dr. Mousumi Das, Dr. Mitu De, Dr. Anwesha Biswas, Prof. Monalisa Roy, Dr. Suptorthita Choudhury and Dr. Moumita Bishai.

Students' Seminar: "Undergraduate Research Initiative and Poster Presentation Competition"

held on 06.06.2023 at PG Library Hall and Room no 1.

Sl No.	Name	Semester	College Roll No.	Topic
1.	Debayani Chakrabarty	IV	0035	'Dyes'
2.	Sandipan Bhowmik	IV	0015	'Organic Electronics: From LEDs to Organic Solar Cells'
3.	Sanjay Das	IV	0050	'Chemistry of Chocolates'
4.	Puja Das	IV	0052	'Fingerprint Detection Method and the Use of Chemistry'
5.	Sunity Maity	IV	0055	'Bio-fuels'
6.	Garima Rathi	IV	0051	'Black body radiation'

A departmental 'Students' Seminar: Undergraduate Research Initiative and Poster Presentation Competition' organised jointly by IQAC and The Department of Chemistry, Gurudas College presided by our honourable Principal Madam was held in PG Library Hall on 6th June, 2023. There were two main sessions viz. oral presentation and poster presentation (topic: Impact of Chemicals on the Environment) which were chaired judged by our Guest of Honour Dr. Debashish Kar, Vedanta College, Kolkata. In oral presentation, 6 honours students of semester IV delivered their speech on different topics related to Chemistry where 51 students and teachers were present as audience. In poster presentation competition, 10 honours and general students of the semester II and IV participated. All of the oral presenter and winners of poster presentation competition were felicitated with awards and certificates. The response of the students was literally overwhelming and scientific discussion during both the session encouraged them to grow their interest in research-oriented domain of several fields of Chemistry.

Student Achievement Report 2022-2023

Poster presentation

A poster presentation allows students to creatively present their research or class project. With thoughtful design and clear communication, our students caught the judges' attention and won top honours. The following is the list of students who participated and won the awards.

Name	Poster/Event	Date; Venue	Award/Participation
Nilesh Mitra	One Horned Rhino Conservation In India	5/01/2023; Gurudas College	1st Prize In Poster Competition
Surangana Chakravarti	One Horned Rhino Conservation In India	5/01/2023; Gurudas College	1st In Poster Competition
Rimta Roy	Participation, Certificate And Trophy	5/01/2023; Gurudas College	1st In Poster Competition
Ankita Biswas	Participation In International Seminar; Title- Tiger Conservation	12/05/2023; Gurudas College	3rd Prize
Moitrayee Debnath	Participation In War 2022 By Anubhab Poster Competition	13/11/2022; Ashutosh College	Participation
Soham Ghosh	Poster Competition	12/05/2023; Gurudas College	3rd Prize
Swattick Chakraborty	Poster Competition	Gurudas College	Awarded 4th position

Oral presentation

An oral presentation requires thoughtful planning and practice to engage the audience and convey ones message clearly. Our students keeping that in mind participated in the oral presentation.

Name	Date	Venue	Award/Participation

Students' Week Celebrations, 2023

NPTEL Awareness Workshop

3, 4, 6 January 2023

SWAYAM Local Chapter, Gurudas College and IQAC, Gurudas College

Time: 10.45-2.15 pm all three days

Conveners & Speakers: *Dr. Supriya Mukherjee (Mathematics) and Dr. Swati Moitra (English)*

The NPTEL Awareness Workshop, organised by the IQAC, Gurudas College, and the SWAYAM Local Chapter of the college, on occasion of the Student's Week celebrations (2-7 January) was a successful event. 204 students from 13 different departments (including PG Bengali) participated in the workshop. 13 faculty members from different departments also participated on different days.

Using the existing infrastructure of the college, namely, the projector and the wifi at the Department of Mathematics, students were informed about SWAYAM, MOOCs and the pros and cons of the same. A detailed discussion was held on the SWAYAM platform, its history, and the courses offered. Discussions were held on:

- a) Subject-specific courses
- b) Subject-adjacent courses
- c) Skill-based courses
- d) Interest-based courses
- e) Pros and cons of self-paced courses
- f) Academic bank of credits

Students were also encouraged to use the SWAYAM app. Some students were shown how to use the wifi at the Department of Mathematics to download the app and to join courses on their phones.

The event was made successful by the enthusiasm of the students and the support of the college authorities. The Department of Mathematics' generous support and resource-sharing made the event possible.
