Report Beliaghata Heritage Walk

Learning Outcomes:

- Immersive and experiential learning
- Learning about the tangible cultural heritage of a diverse, neglected neighbourhood in Calcutta
- Learning about the natural heritage and biodiversity of the neighbourhood
- Incorporation of ICT-enabled learning with the use of Google Meet and Maps
- Cultivation of the spirit of India's freedom struggle and the values of Mahatma Gandhi

Report:

The Beliaghata Heritage Walk was organized as a collaborative event between 9 departments—Bengali, Economics, English, Education, History, Political Science, Philosophy, Sanskrit, Journalism and Mass Communication—and the IQAC, Gurudas College, on 17/12/2022. The event was generously funded by the Gurudas College authorities. With the support of the Principal, the Phoolbagan Police Station and students' representatives, Gurudas College, 220 students, and 30+ faculty members participated in the walk. Our initiative, probably the first of its kind by any college in the area, has received media coverage in reputed Bengali and English language dailies.

This was an experiential and immersive learning exercise, addressing the diverse tangible heritage of the Beliaghata region. The students were at first given a brief introduction to the area's diversity with the help of a deeply researched educational brochure produced by the organizers. Two Google Meet sessions were organized where students and teachers discussed the importance of tangible cultural heritage and ethno-religious diversity. They were further encouraged to inculcate the values of the freedom struggle by learning about the events surrounding Mahatma Gandhi's 'Miracle of Calcutta' and commit themselves to upholding the spirit of tolerance, harmony, and universal brotherhood.

To ensure ICT-enabled learning, students were also encouraged to use a Google Map tracing the entire course of the walk, also prepared by the organizers. The map is now publicly available: https://www.google.com/maps/d/edit?mid=1c5krNwWWkmUADfvEPBm1eMXvv4RI6_4&usp=drive_link

On the day of the event, students were given badges to wear and banners to carry. They visited the Jewish Cemetary at Narikeldanga, the Greek Cemetary at Phoolbagan, and the Gandhi Bhawan Museum at Beliaghata. They also passed by Raja Rajendralal Mitra's residence, the Baladeb Mandir, the site of Mahatma Gandhi's famous Rash Bagan speech, and the Bagh-E-Mohammadi burial ground. They eventually walked to the Subhash Sarobar for an understanding of the natural heritage and biodiversity of the area and were served lunch and refreshments there.

The unparalleled enthusiasm generated by the event suggests it was a grand success.
