Students' Week Celebration 2024

****

Students' Week-2024 was celebrated by the Department of Chemistry, Gurudas College presided by our honourable Principal Madam, held in Art & Science Building, Gurudas College on the 1st week of January from 05.01.2024 to 09.01.2024. Both the Hons/Mejor and General/Minor students were participated in all the events gracefully. The events were chaired and judged by our Guest of Honour Dr. Anamika Basu, Department of Biochemistry and Dr. Sumana Ganguly, Department of Chemistry, Gurudas College, Kolkata. The following events were organised by the Department of Chemistry during the Students' Week Celebration:

1. **Event Name: Quiz Competition**

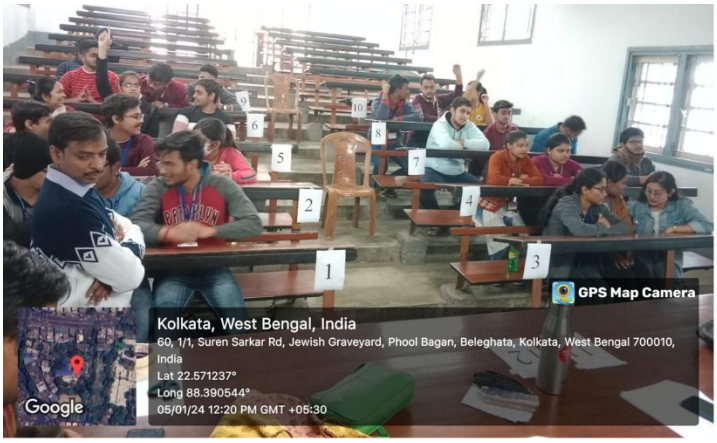
   Organiser Name: Department of Chemistry

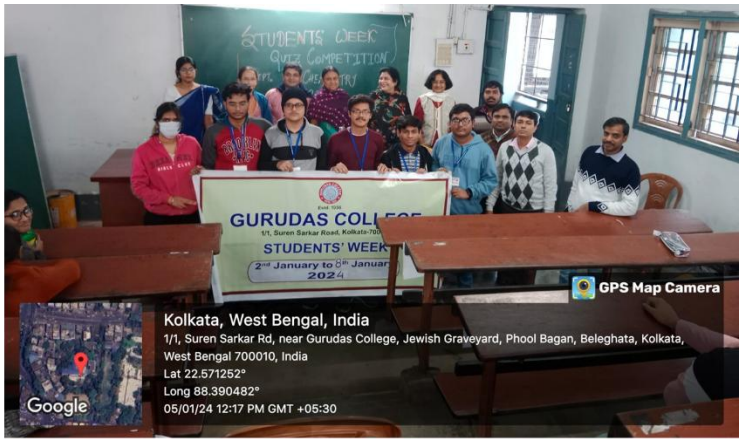
   Date: 05.01.2024

   Time: 11.30 am

   Venue: G2 (Gurudas College)

Quiz Competition was the 1st event of the Students' Week Celebration. Total 10 groups participated in this event including Hons/Mejor and General/Minor students. Here are some glimpses of Quiz contest:





2. **Event Name: Poster Presentation**

   Organiser Name: Department of Chemistry

   Date: 05.01.2024

   Time: 12.30 pm

   Venue: R1 (Gurudas College)

In the Poster Presentation competition total 08 groups participated including Hons/Mejor and General/Minor students. Here are some glimpses of Quiz contest:

3. **Event Name: Laboratory Visit of School Students**

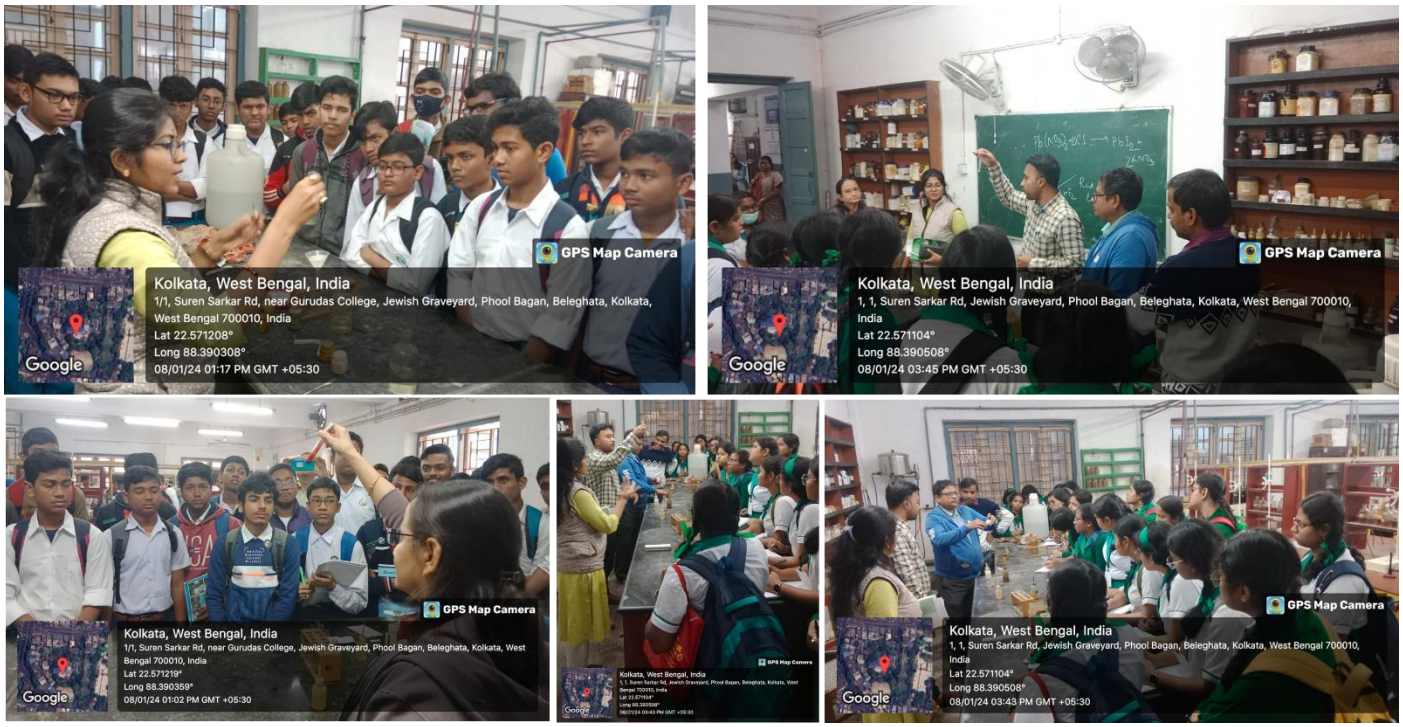
   Organiser Name: Department of Chemistry

   Date: 08.01.2024

   Time: 12.00 – 4.00 pm

   Venue: Chemistry Laboratory (Gurudas College)

During Students' Week, students from two nearby schools visited our college including Chemistry laboratory. Here some chemical techniques, laboratory skills, and exciting experiments were demonstrated by our teachers to attract them towards science. One school is Dr. Shyama Prasad Mukherjee Institution and the other one is Surah Kanya Vidyalaya. Nearly 70 students (boys) of class X & XI were present from Shyama Prasad Mukherjee Institution and nearly 15 students (girls) of class XI were present from Surah Kanya Vidyalaya. Here are some glimpses of departmental laboratory visit:



4. **Event Name: Parent-Teacher Meeting**

   Organiser Name: Department of Chemistry

   Date: 09.01.2024

   Time: 11.30 am

   Venue: R1 (Gurudas College)

Due to an unavoidable reason Parent-Teacher meeting was held on 9th January 2024, though it should be within 8th Jan.,'24. Twelve guardians were present in the meeting and nearly all teachers and students (Honours) were present in the meeting. Here are some glimpses of departmental laboratory visit:
