Annual Report 2023-24: Career Counselling Committee and Placement Cell

Introduction:

The Career Counselling Committee and Placement Cell in association with IQAC of Gurudas College have been instrumental in guiding and assisting students in making informed decisions about their careers. The academic year 2023-24 witnessed numerous events and collaborations aimed at providing valuable insights and opportunities to the student community. This report highlights some of the key initiatives and activities conducted by the committee during this period.

Health Care Awareness Program (22nd September 2023):

On 22nd September 2023, the Gurunanak Institute of Pharmaceutical Science and Technology organized the Health Care Award Program focusing on Adverse Drug Reactions, Dengue Malaria, and Antibiotic Resistance. The event saw an enthusiastic participation of more than 35 students from various disciplines. The program aimed to create awareness about critical healthcare issues and potential career paths in pharmaceutical sciences.

Edwise Pvt Ltd Interactive Session (1st December 2023):

Edwise Pvt Ltd, a renowned educational consultancy, conducted an interactive session with Life Science students on Biomedical Science opportunities abroad. This session, held on 1st December 2023, witnessed the active engagement of almost 50 students. The presentation covered various aspects of pursuing a career in biomedical sciences overseas, including academic opportunities, research prospects, and industry trends.

Career-Oriented Seminar by iLEAP Pathfinder (15th December 2023):

On 15th December 2023, the Career Counselling Committee, in collaboration with the Eastern Regional Office and iLEAP Pathfinder Kolkata, organized a seminar specifically tailored for commerce students. More than 50 students attended the event, where industry experts shared valuable insights on emerging career paths, skill development, and the evolving landscape of commerce-related professions.

RICE Education City Office Interactive Seminar (8th January 2024):

To kickstart the new year, on 8th January 2024, RICE Education City Office hosted an interactive seminar in online mode. The focus of the seminar was on exploring career opportunities in government sectors. The event garnered significant interest, with more than 70 students registering to participate. Experts discussed the diverse avenues available in government sectors and offered guidance on the necessary preparations to excel in competitive examinations.

Conclusion:

The Career Counselling Committee and Placement Cell are committed to providing continuous support and guidance to students in their career pursuits. The collaborations and events conducted throughout the year have contributed to the holistic development of our students, preparing them for the challenges and opportunities in the professional world. We express our gratitude to all the organizations and experts who have collaborated with us, and we look forward to further enriching the career development experiences for our students in the coming years.
