18/12/2024

Head  
Department of Botany  
Gurudas College  
Kolkata-700 054

On December 18, 2024, the Botany Department hosted a Parent-Teacher Meeting for students of Semesters I, III, and V. The meeting was scheduled at different time slots to accommodate parents of students from various semesters.

The meeting commenced with the Semester I students at 11:00 A.M., followed by Semester III students at 12:00 Noon, and finally, Semester V students at 12:30 P.M. The Botany Department faculty members were present throughout the meeting to interact with parents and discuss their child's progress.

### **Key Highlights of the Meeting**

-The session commenced with a warm welcome by the HOD, who emphasized the importance of regular interaction with parents to support students' academic journeys. The HOD provided a comprehensive overview of:

1. Syllabus and NEP Pattern: Detailed explanation of the syllabus structure, credit system, and interdisciplinary approach as per the National Education Policy (NEP) majorly with the semester I students.

- Academic Strategy: Insights into teaching methodologies, evaluation patterns, and strategies to excel in the curriculum.

- Attendance and Regularity: The significance of consistent attendance and active participation in academic and co-curricular activities was stressed, with a special emphasis on practical classes.

- Student Involvement: Encouragement for students to take advantage of the diverse courses and skill development programs offered by the college.

### **Faculty Insights**

The discussion was further enriched by the contributions of other faculty members, who shared their expertise on:

- Unlocking Career Opportunities in Botany

- Enhancing Practical Skill

### **Parent Feedback and Interactive Session**

Parents actively participated in the session, sharing their feedback and suggestions. Their inputs were invaluable, reflecting their expectations and aspirations for their children's academic growth. During the interactive session, they further clarified their doubts regarding the curriculum, assessment methods, and available resources for students. The meeting concluded with a sense of collaboration and shared responsibility between parents and the department, aimed at fostering the academic and personal growth of students. The meeting was a huge success, with parents appreciating the department's efforts in maintaining transparency and communication.
