

## **Orientation & Induction of 1st Semester Students (2024 batch under CCF system) in the Department of Botany**

The Department of Botany at Gurudas College organized a comprehensive orientation and induction program for newly admitted students 1<sup>st</sup> Semester Botany Major (under CCF system) **on 7<sup>th</sup> august, 2024**. The program aimed to familiarize students with the department's academic environment, facilities, and faculty members. During the program, students were introduced to the department's faculty members, laboratory supporting staffs, their curriculum, research opportunities, and extracurricular activities. The faculty members shared their expectations, provided guidance on academic and career goals, and encouraged students to actively participate in departmental events.

### **Snapshot of the Day**

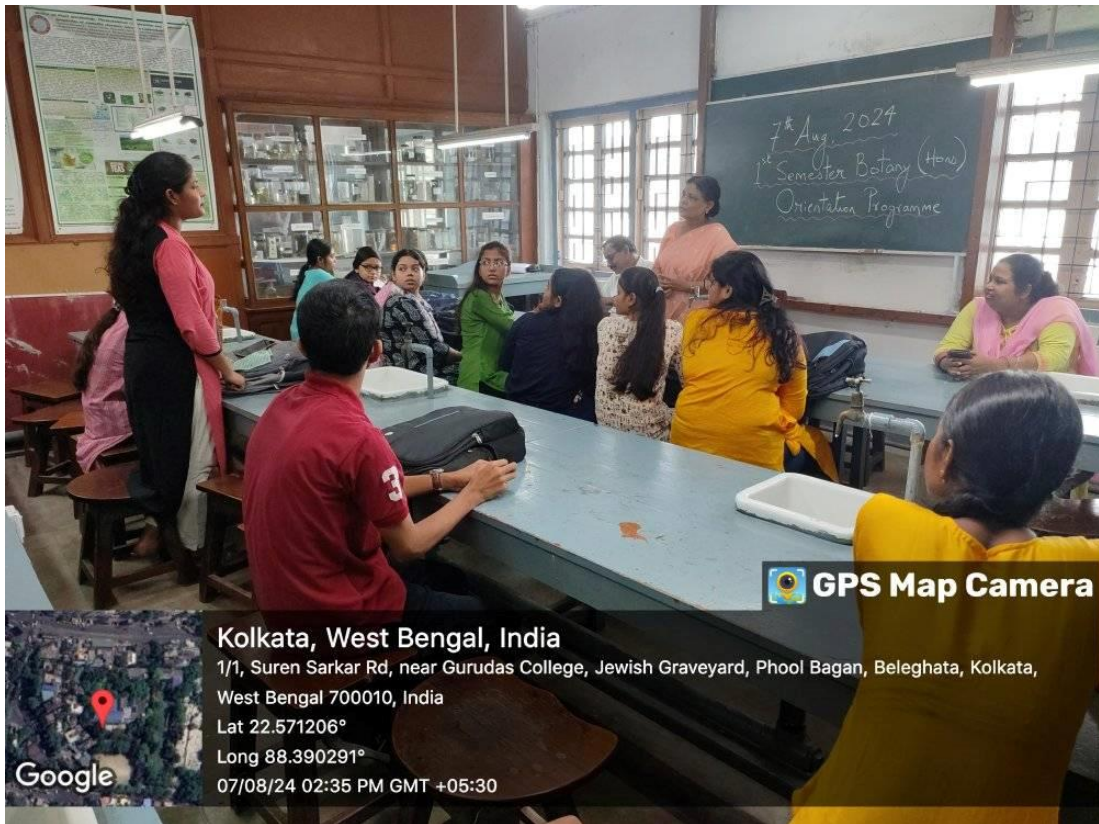

The 1<sup>st</sup> semester students were introduced to all the faculty members as well as the laboratory attendants present that day. It was emphasized that this department could be regarded as a second home for these students in the next four years. After the general introduction to the subject, curriculum, resources present in Gurudas College along with extracurricular activities in college an interactive session followed. The new 1<sup>st</sup> Semester students were encouraged to ask question

The 1<sup>st</sup> Semester Botany Major students were introduced to the department's faculty members, laboratory supporting staff present that day,

**Interactive session with the students.** The students were encouraged to ask questions and get their doubts clarified.

**Introduction of the resources present in the department viz. instruments, equipment, seminar library books**

The program also included a tour of the department's laboratories, library, and other facilities, helping students to settle in and feel at home

Overall, the orientation program set the tone for an engaging academic journey for the new 1<sup>st</sup> semester students of Botany Major in the Department of Botany, Gurudas College.
